Paralegal Program - Brisbane 2008

In place of summer or winter clerkships, our Brisbane office offers a 12-month paralegal program (sometimes longer) for undergraduate law students. As a paralegal, you will do real work with great clients and gain first-hand experience in the practice of law. You will be guided by partners and senior legal staff who are some of the most approachable, experienced lawyers in their fields.

Our paralegal program requires you to work a minimum of two days a week to fit with your university timetable, commencing early 2008.
